“ To Gary and to all of Clarice's family; Clarice and I have been friends since we were in Kindergarten, so you can imagine all we have been through together. I will miss our phone calls, our laughing together over our memories. and certainly visiting her wonderful home and eating her delicious food. We were in a trio, a sextette and a triple trio together for four years. The last time we were together we remembered some of the songs we sang. She was a wonderful and talented and generous woman. My sympathies to you all.

“ So very sorry to hear of Clarice's passing. She was a substitute teacher when we were juniors at Maniila, in home-ec. I still have here pie crust recipe and apple pie recipe. Six of us classmates stayed at the B&B with her and Gary a few years ago. We had a blast with her, looking at year books and scrap books. She joined right in with us. The breakfast they served was fantastic. thanks to her and Gary we have more memories to add to ours. Prayers to all of the family
